

# Are you an LGBTQ+ East Asian Youth? Live in Toronto, Vancouver, or Winnipeg? We would love to hear your story in this research study!

Dr. Todd Coleman and his research team at Wilfrid Laurier University are conducting a study titled "The investigation of experiences among LGBTQ+ Asian Canadian youth's mental health and the impacts of the COVID-19 pandemic", which explores:

**The intersectional experience (microaggression and discrimination) of LGBTQ+ Asian Canadian youth**  
**The impacts of the COVID-19 pandemic;**  
**Their mental health and their experience with mental health support navigation**

40 LGBTQ+ East Asian Youth between the age of 16-29, whom self identify as LGBTQ+ and reside in Toronto, Vancouver, and Winnipeg

You will answer a brief screener to confirm your eligibility. Once eligibility is confirmed, you will answer **30 mins questionnaires online**. You will also be invited to participate in a **90-120 minutes online focus group** approximately two weeks after completing the survey. You will receive a **\$20 e-gift card of your choice** as compensation for your time after participating in the focus group
